## How your shed designer works for you!

1. A prospect visits your website
2. The prospect interacts with an interactive 3D configuration tool. The tool allows the individual to evaluate different options and accessories, see the price, and the product they have configured.
3. The prospect clicks Order to purchase the building they have designed. The prospect, now customer's design is transmitted to directly to your sales team.
4. Your sales team engages with the prospect by reviewing the product they have configured and answering any questions they may have.
5. Your sales team finalizes the purchase with the customer.

# A MESSAGE TO OUR VALUED CUSTOMERS

TO OUR VALUED CUSTOMERS:

AS WE ENTER 2020, WE WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK ALL OF YOU FOR ANOTHER AMAZING YEAR. THE SUCCESS OF APPLE OUTDOOR SUPPLY IS BASED ON THE RELATIONSHIPS WE HAVE BUILT OVER THE YEARS, AND WE REALLY WOULD NOT BE WHERE WE ARE WITHOUT YOU. OVER THIS PAST YEAR, WE HAVE PROMOTED KEY PEOPLE TO KEY POSITIONS, ESTABLISHED A KEEN FOCUS ON INVENTORY CONTROL AND CONTINUE TO EXPAND OUR GEOGRAPHICAL PRESENCE. WE ARE GRATEFUL FOR THE OPPORTUNITY TO WORK WITH YOU AND FOR YOU. OUR PASSION FOR MEETING OUR CUSTOMERS' EXPECTATIONS IS WHAT DRIVES US.

AS THE NEW YEAR BEGINS, WE KNOW THERE WILL BE CHALLENGES AHEAD. HOWEVER, WE ARE SO EXCITED WITH ALL THAT 2020 HAS IN STORE FOR US; ENTHUSIASM AND ANTICIPATION IS BUILDING FOR THE NEW YEAR.

WORKING TOGETHER THIS PAST YEAR HAS BEEN A PLEASURE. WE LOOK FORWARD TO A SUCCESSFUL 2020.

THANK YOU ONCE AGAIN FOR YOUR CONTINUED BUSINESS AND SUPPORT.

SINCERELY,

WILLIAM P. GULA

PRESIDENT

# COMPANY POLICIES & PROCEDURES

## Placing Orders

- 1.) Whenever possible, please fax orders to 1-800-633-7916.
- 2.) Call 1-800-704-8112 to place an order. Please provide your company name and zip code, then verify your address and telephone number.
- 3.) Please advise our inside sales representatives of any special delivery instructions, requirements or changes to your contact information.
- 4.) Ordering by PART NUMBER is the BEST WAY of assuring that your order is correct.
- 5.) To avoid unnecessary mistakes with your order, please ask the order taker to repeat your order back to you and confirm accuracy.
- 6.) NON-Stock items or made-to-order may require a 25% deposit (reviewed on a case by case basis).

\*We automatically assume customers would like orders to ship complete, therefore we will hold orders until all items on an order are in-stock, unless otherwise directed by the customer; with an exception to local customers, whom receive local deliveries. Customers may choose to "Ship & Backorder", where available items will be sent and unavailable items will be held until they become available for shipping (charges for shipping will be billed for each shipment sent). Customers may also choose to "Ship & Call Complete", where we will send all available items on an order, and cancel any item not available.

## Order Discrepancies / Returns

If, for some reason, you are not completely satisfied with your order, please contact our Quality Control Department at 1-800-704-8112 promptly, or within ten (10) days, to discuss your discrepancy. If materials need to be returned as a result, please provide the following:

- 1.) State the reasons for returning the product.
- 2.) Provide the packing slip order numbers and product part numbers to be returned and/or reordered.
- 3.) Provide the weight and packaging of the boxes being returned and an Authorization # will be provided to you.

This return authorization number must appear on the outside of all boxes being returned.

A credit will be issued when the product has been received and counted by our warehouse personnel. A copy of that credit will be mailed to you.

Apple Outdoor Supply reserves the right to deduct the credit amount of your return by the cost of the return freight, apply a Restocking Charge up to 25%, charge a minimum Return Service Fee of \$25.00, or outright deny credit of any amount on returns under the following conditions:

- |                               |                                |  |
|-------------------------------|--------------------------------|--|
| • Special Order Merchandise   | • Incorrectly Ordered Products | • Merchandise Installed/used, in Poor or Non-Resale Condition  |
| • Refused or Cancelled Orders | • Customer Request             | • Errors not reported within thirty (30) days                  |
| • Installed Windows           | • Stock Buy Backs              | • Conditional Loss or Damaged Shipments (See Disclaimer Below) |

Instances where Apple Outdoor Supply has made an error, we will make every effort and assume full responsibility to correct the discrepancy at our expense.

## Disclaimer on Loss or Damaged Shipments

In order to expedite your claim for loss or damage on shipments, **you must notate the shortage or damage on the BOL Delivery Receipt** and then promptly contact the Traffic Department at Apple Outdoor Supply (please fax a copy of the BOL when possible). From that point, Apple Outdoor Supply will contact the shipping company, start the claim process, and credit your account upon payment to Apple Outdoor Supply on the claim by the Freight Carrier or UPS.

Orders from Apple Outdoor Supply leave our warehouse complete and in good condition. Your signature on the delivery document indicates your receipt of the shipment in complete and good condition. With your signature, you assume full responsibility for the shipment. Therefore, if you do not notate damage or loss on the BOL Delivery Receipt, Apple Outdoor Supply will not be held responsible for such loss or damaged product.

## Freight Policies

\*Please Note: Our freight deals apply to Shipments only, therefore **all orders, including back-orders, are subject to freight charges.**

We offer a reduced freight amount of **\$90.00** (maximum charge) on **shipments** valued at 2,200.00 or more to the following states:

**DE, MD, NJ, OH, PA, VA**

We offer a reduced freight amount of **\$150.00** (maximum charge) on **shipments** valued at 2,200.00 or more to the following states:

**AR, AL, CT, FL, GA, IN, KY, MA, MI, MS, NC, NY, SC, TN, VT, WV**

We offer a reduced freight amount of **\$190.00** (maximum charge) on **shipments** valued at 2,200.00 or more to the following states:

**IL, LA, MO, NH, OK, RI, WI**

We offer a reduced freight amount of **\$260.00** (maximum charge) on **shipments** valued at 2,200.00 or more to the following states:

**IA, KS, ME, MN, TX**

\*\*All other states will receive the best freight rates possible via a reliable carrier at Apple Outdoor Supply's discretion. If you want us to ship your order with the carrier of your choice, please provide this information when you place your order. Whenever possible, we will honor this request and ship your order COLLECT.

Apple Outdoor Supply may hold orders containing "Out-of-Stock" items until we are able to ship your order complete. We will ship partial orders and backorder items at your request; however, initial shipments and backorder shipments will still be subject to the freight policies above. Policies include the cost of freight for regular "dock to dock" deliveries. Accessorial charges (Including but not limited to: Residential Charge, Appointments, Re-Deliveries, Storage Fees, Lift-Gate Service, etc.) are the responsibility of the customer and not Apple Outdoor Supply.

## Account Information and Credit Terms

Apple Outdoor Supply will open an immediate account over the phone and ship orders **C.O.D.**, or **Prepaid** with a Credit Card, or by mailing a Check or Money Order. To apply for credit, please submit a credit application. A credit application can be requested by calling 1-800-704-8112; one is also printed in this catalog for your convenience. Upon approval, open credit terms will be extended for payment.

Our credit terms are subject to the following:

- A credit limit may be applied or adjusted, as determined by our credit department.
- Returned Checks will be charged an NSF Fee of **\$30.00**.
- Accounts with balances over forty five (45) days past due will be subject to an interest rate of 1-1/2% per month, up to 18% per year.  
**Your account will be placed "ON HOLD" and future orders will not be released until past due amounts are paid.**
- At the discretion of our Credit Manager, slow paying accounts may be removed of credit terms.
- Early pay discounts are only available on merchandise, not freight or fuel charges and may only be taken when invoices are paid for with checks or money orders. Payments made with credit cards do not receive discount.

## Pick-Up Policy

All orders to be picked-up from our warehouse(s) must be given with a 24-hour notice; this is to ensure our staff has enough time to prepare your order. If the product in question is a "special order", we will notify you when the product arrives and agree on a pick-up date & time; after this standard pick-up policies will apply.

If an order cannot be picked-up within 48 hours of the agreed date & time, daily storage fees may be charged. If a pick-up order is cancelled after our staff has picked the product, a restocking fee may be charged.

## Special Orders

Special orders can be defined as any product ordered in for a specific customer; this applies to both catalog and non-catalog items. Special orders cannot be returned, or cancelled once ordered. Lead times for special orders may vary, and we encourage our customers to place orders with allowance for extended lead times.

\* Prices & policies are subject to change. Apple Outdoor Supply is not liable for any inaccuracies, misprints or errors in the information provided herein. Occasionally items displaying immediate availability may become unavailable. We reserve the right to substitute with similar items of comparable quality.

The Unified Thread Standard (UTS) defines a standard thread form and series—along with allowances, tolerances, and designations—for screw threads commonly used in the United States and Canada. It is the main standard for bolts, nuts, and a wide variety of other threaded fasteners used in these countries.

\*Stainless markings vary.  
Most stainless is non-magnetic.

The Unified Thread Standard (UTS) defines a standard thread form and series—along with allowances, tolerances, and designations—for screw threads commonly used in the United States and Canada. It is the main standard for bolts, nuts, and a wide variety of other threaded fasteners used in these countries.

\*Stainless markings vary.  
Most stainless is non-magnetic.

# TOP NOTCHED PRECISION

At Union Grove Lumber, we are *always listening* to the customers we serve.

After a year of machinery development with America's TOP robotics engineers, Union Grove Lumber is excited to announce that we are producing notched runners, specifically tailored for the shed industry.

Our experienced staff is sourcing top graded 4x6 SYP and precisely notching to exact customer specifications. With the use of our new robotic machinery, we are able to precisely cut 12" and 16" on center runners with perfectly 45° ends. The precision notches are smoothly cut and allow 2" floor joists to fit with ease.

Measuring to the 1000th of an inch, these notched runners are what shed builders have been asking for! This innovative product is top quality, at a valued price, and will be delivered within a reasonable timeframe. We are On Target from Start to Finish!

*We are listening to you.*
